

CERTIFICATE PENETRATION TEST

SySS GmbH
Schaffhausenstraße 77
72072 Tübingen

hereby confirms that it carried out a penetration test as well as a retest for the company

itdesign GmbH
Friedrichstraße 12
72072 Tübingen

Test item: The “Meisterplan” web application, including the corresponding web service and the underlying systems.

Test period: February 1 to 15, 2023 (initial test); March 15, 2023 (retest)

Test depth / resistance period: The simulated attack during the initial test and the retest lasted 9 and 0.5 person-days respectively.

Summary of test results: At the end of all test activities, SySS GmbH hereby confirms that the identified relevant vulnerabilities were successfully rectified.

Recommendation: SySS recommends that the test item be retested after every significant change or at the latest after one year.

Tübingen, March 27, 2023
